

Review

Welcome to our monthly newsletter, reporting some of the great things happening in our school and college.

A Fantastic Year 6 Open Evening and Open Morning

We had a fantastic Year 6 Open Evening on Thursday 24th September, followed by our Open Morning the next day. It was wonderful to welcome so many familiar faces, as well as meet lots of new students, parents and carers.

There was a real buzz throughout the evening, with exciting activities taking place across the school. From Science experiments to designing and making keyrings in Technology, our Year 6 visitors had plenty of opportunities to get involved and experience life at our school.

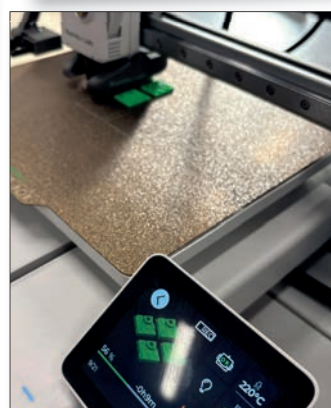

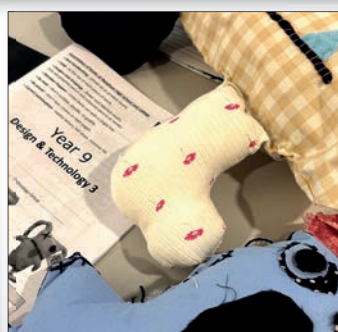

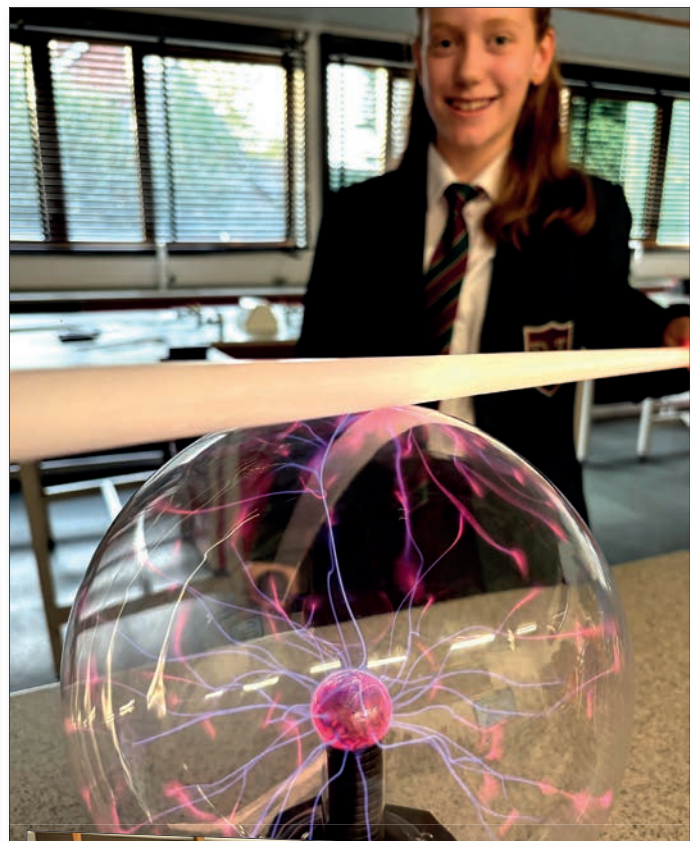

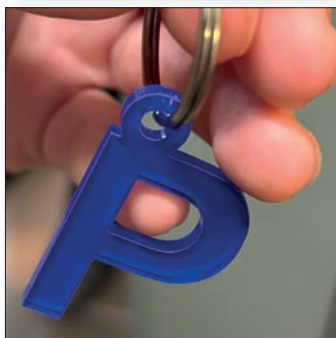

Our staff and students were, as ever, a real inspiration, sharing their enthusiasm, knowledge and pride in our school with our visitors.

A huge thank you to everyone who helped make both events such a success, and to all the families who joined us. We hope you enjoyed your visit!

BE KIND, WORK HARD, ACHIEVE

Reepham High School and College celebrate best-ever GCSE results in the 9-1 era

Reepham High School and College is celebrating its best-ever GCSE results since the introduction of the 9-1 grading system, with students achieving excellent outcomes across the school, placing it in the top performing schools in Norfolk .

Headteacher, Jon Croucher said:

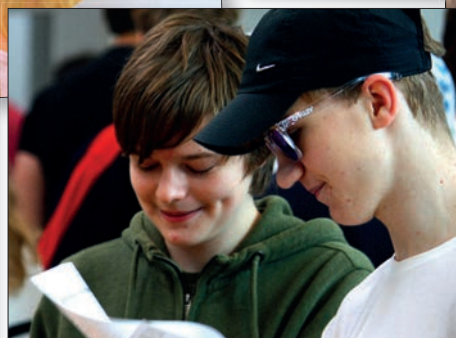

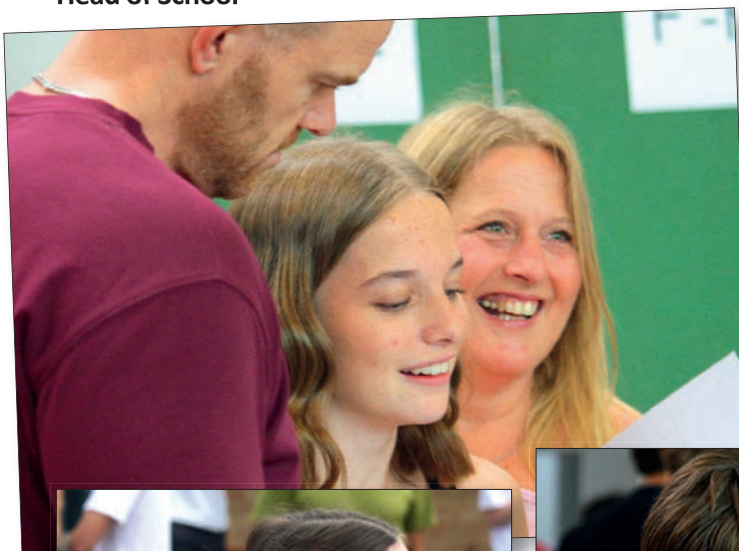

"We are incredibly proud of our students and of everything they have achieved. These results represent the culmination of five years of hard work, determination and perseverance, and our young people should feel enormously proud of themselves today.

At Reepham, we very much see ourselves as a team. The success of our students is built on the commitment and dedication of our young people, our teachers and support staff, and the encouragement and support of parents and carers. It is that partnership that enables our students to achieve their very best.

We are delighted that so many of our students will be returning to our Sixth Form College. We know that they will thrive here as our College year on year, helps our students achieve well beyond their target grades.

For those students who are moving on to other post-16 providers, or beginning apprenticeships and other pathways, we wish them every success for the future."

Mr Croucher
Head of School

BE KIND, WORK HARD, ACHIEVE

ANOTHER SET OF EXCELLENT A LEVEL RESULTS FOR REEPHAM COLLEGE

Students and staff at Reepham College are celebrating another excellent set of results, reflecting the hard work, determination and ambition of students across the College.

Sarah Steele, College Director, said: *"Building on achieving the highest progress out of all A-levels providers in Norfolk last year, students at Reepham College are celebrating even greater success. Our students have achieved excellent results and deserve enormous credit for their hard work and commitment. We are incredibly proud of the determination and resilience they have shown throughout their studies. These results reflect their ambition and the effort they have put into achieving their goals."*

Students are progressing to a wide range of universities and courses across the country. Others are taking the next step through higher-level apprenticeships and employment, reflecting the breadth of aspirations and opportunities available to our students.

These achievements are also testament to the unwavering support of parents and carers and the dedication of College staff, who provide outstanding academic and pastoral support throughout each student's time with us. Most importantly, our students leave Reepham College as capable, mature and well-rounded young people, ready to embrace the opportunities ahead. We are extremely proud of all they have achieved and wish them every success for the future."

Reepham College congratulates all students receiving their results and looks forward to following their achievements as they begin the next stage of their lives.

Mrs Steele
Deputy Head for College, SEND (SENDCO) & Literacy

Reepham College Enrichment

Over the course of 13 sessions within the High School and College's Food Preparation & Nutrition department, Year 13 students will work in small groups to prepare & cook a variety of economical meals from a range of cuisines. These sessions encourage team working, improve basic cooking skills, boosts mental well-being, and gives students an understanding of cooking on a budget; vital skills for University life, independent living and beyond.

Mrs Brundell
Food Preparation & Nutrition Technician

The College Tutor Olympics have kicked off in spectacular style, with students and staff embracing the competitive spirit from the very first events. The opening challenge, the Notice Board Competition, showcased the creativity, teamwork and imagination of tutor groups across the college. After much deliberation, Ms Lee's tutor group emerged as worthy winners with their eye-catching Stan Lee-inspired Marvel-themed display.

The hotly anticipated Tug of War Final saw Mr Roberts' Tutor Group emerge victorious, securing the first two duels in a best-of-three contest to claim the title. The event provided a fitting conclusion to this year's Tug of War, which has generated fantastic enthusiasm and participation from students across the college.

It has been wonderful to see so many students embracing the spirit of competition while demonstrating excellent teamwork, determination, and resilience throughout the various challenges. The final played out in front of a supportive and enthusiastic crowd, creating a fantastic atmosphere. Events such as these not only foster healthy competition but also strengthen the sense of community and camaraderie

within the college. Congratulations to all students who took part making the Tutor Olympics such a success.

With such an exciting start, the College Tutor Olympics promises plenty more memorable moments, as tutor groups continue to compete for glory and points to win the coveted title. We look forward to seeing which team will rise to the challenge next!

Mrs Grinnell
KS5 Academic Mentor

Year 12 students enjoyed an engaging and motivational presentation by Jasper from Maximise.

Jasper talked to students about how to navigate the jump from GCSE to A Level study, as well as talking about the importance of taking ownership of their studies and grasping opportunities both in and out of college.

Mrs Carr
College Learning Resource Manager

Curriculum Enhancement Week

Students enjoyed a wide variety of activities during the last week of term from Duke of Edinburgh, visiting the coast, Scuba Diving, Arts & Crafts, Go Karting to Disney, Sailing, Water Sports and Normandy to name a few.

Friday	Homework Club in the Library (All of lunchtime) Airfix Club TE4 with Mr Baxter	

Introducing our new Pupil Leadership Team

At the end of last academic year, we invited students to apply to become part of our new Pupil Leadership Team. An incredible 110 students applied for roles as House Leaders, Deputy House Leaders or Year 11 Prefects. A huge well done to everyone who put themselves forward. As part of the application process, students responded to a series of challenging questions, with applications reviewed by the Heads of House and the School Leadership Team. We were particularly impressed by the enthusiasm and creativity shown in their responses, with students suggesting some fantastic ideas to make school life even better, including a monthly Wall of Fame, a stand-up comedy event and even a dance-a-thon!

Our new Pupil Leadership Team for this academic year is introduced above. Throughout the year, they will support school events, represent their Houses at lunchtimes (look out for the hi-vis vests!), lead assemblies and help ensure that pupils have a voice in school life through the School Council. We are really looking forward to seeing what they achieve this year. Congratulations to all of our new House Leaders, Deputy House Leaders and Year 11 Prefects!

Ms Atyeo

Teacher and PSHE and Personal Development Lead

COMING UP AT REEPHAM HIGH SCHOOL & COLLEGE

Thursday 1st October - Reepham College YEAR 11 Open Evening **[BOOK HERE](#)**

Thursday 22nd October - Whole School & College Sponsored Walk

Friday 23rd October - Monday 2nd November HALF TERM

Friday 6th November - Reepham College YEAR 11 Taster Day. Booking will OPEN in October

Wednesday 9th December - Annual Careers Day for Year 11

The annual Careers Fair (open to all) will take place on Wednesday 9th December 4pm - 6:30pm (timings are tbc). We are looking for local businesses, employers and professionals from wide range of industries and professions to support our upcoming Careers Day and Careers Fair. Whether you run your own business, work for a local organisation or simply have a career story and experience to share, we would love to hear from you. By giving just a little of your time, you can help our students discover different careers, understand the world of work and explore opportunities they may never have considered.

Please get in touch with Emma, the school Careers Adviser eedgill@reephamhigh.org.uk
